  Power: Supports up to 16A.
  Control: App and voice control via 2.4GHz Wi-Fi.
  Setup: No hub required.
  Automation: Timer and scheduling functions.
  Compatibility: Works with Alexa and Google Home.

Description

The Conceptronic AVODIA02W 2-Outlet EU Smart Plug allows users to control two connected electrical devices through a single smart plug. It connects directly to a 2.4GHz Wi-Fi network and can be managed remotely using the compatible mobile app.

Timer and scheduling functions make it easy to automate connected lights, appliances, and other equipment based on daily routines. The hub-free design ensures quick installation without requiring an additional control device.

Supporting a maximum load of up to 16A, the Conceptronic smart plug is suitable for home and office use. Compatibility with Amazon Alexa and Google Home also provides convenient hands-free voice control.

Additional Information

Programmable power supply (PPS) (YES/NO).	No
Harmonized System (HS) code.	8536690000
Customs product code (TARIC).	8536690000
Color.	White
EAN.	4015867245699
Model Number.	AVODIA02W
Approval and Compliance.	CE, RoHS
Operating temperature.	-15°C ~ 55°C
Package Contents.	AVODIA02W Multilingual quick installation guide
Dimensions (W x D x H).	113 x 52 x 89 mm
Product weight (kg).	0.15
Power input.	100-240V~ 50/60Hz
Standard.	Operating frequency: 2400–2483.5 MHz Maximum RF output power: ≤ 20 dBm EIRP
